

2020 Cards for a Cause

www.casanhgifts.com

Please consider donating the use of your original artwork for the annual CASA of New Hampshire card fundraising project. The proceeds raised from selling these packaged cards remains in New Hampshire to help defray the costs of the important work of the CASA program. Your artwork, if selected by the CASA Card committee, will be part of a series of greeting cards. This is a great opportunity for you to use your talent to support a valuable organization.

Selection Guidelines

- Artwork should be **4.75" x 6.25"** (.pdf or .jpg)
- Watercolors, acrylics, oil, pastels, photographs, graphic arts and drawings will be considered
